FACULTY EMPLOYMENT / TEACHING EXPERIENCE

- **University of Northern Colorado**
 - **Music Director/Staff Pianist**
| Greeley, CO | Fall 2020 - Spring 2021 |

Productions during Employment

A Weekend in the Country: A Sondheim Review
2020 Speaks

Title: Musical Director/Pianist

- MT 161 – Introduction to Musical Theatre
 - This class culminates in an hour and a half musical review which is compiled by the director. Each student sings a solo and a duet or trio. There are also large ensemble numbers which are rearranged vocally to fit the needs and parameters of the class year to year.
- MT 240 – Beginning Stage Directing
 - Students direct and participate in scenes that are peer directed. They must learn the music and create staging and choreography. Each student partakes in 3 scenes during the semester.
- MT 390 – Advanced Scene Study in Musical Theatre
 - In this class the students direct, choreograph and perform in 4 truncated musicals a year. The aim is for the students to thoroughly understand the creative process as well as delve into character development on an individual basis.

ANGELA STEINER Curriculum Vitae

- Spring 2020
 - Productions TBD:
- MT 465 – Musical Theatre New York Senior Showcase
 - This class is the seniors’ final preparation for their New York Showcase. Here the show comes together and the aim is for the students to feel comfortable and confident in their finishing product as they delve into a competitive field.
- MT 470 – Senior Project in Musical Theatre
 - During this class, the students bring in copious amounts of music ranging in all styles to find the repertoire that will best represent them in their New York Showcase in the spring. The environment is one of constant development and growth as the students stretch their horizons to find the best theatrical fit.

Title: Accompanist

- MT 350 – Advanced Musical Theatre Voice Class, Fall Semester
 - This class is part one of two that focused on the students preparing and performing musical selections in various styles ranging from legit musical theatre to pop/rock. The aim of this course is to expand the students’ audition book.
- MT 351 – Advanced Musical Theatre Voice Class, Spring Semester
 - This class is part two of two that focused on the students preparing and performing musical selections in various styles ranging from legit musical theatre to pop/rock. The aim of this course is to expand the students’ audition book and round out any weaker areas of the students’ repertoire.

• **University of Northern Colorado**

- **Voice Teacher/Class Instructor/Music Director/Staff Pianist**
| Greeley, CO | Fall 2015 - August 2017 |

Productions during Employment

Sunday in the Park with George
The Who's Tommy
Spring Awakening
West Side Story

Courses

Title: Instructor

- MT 101– Sight-Singing and Ear Training
 - Students are taught basic ear training and sight-singing tools to guide them through auditions and speedy musical preparation
- MT 160 – Class Piano

ANGELA STEINER Curriculum Vitae

- Basic piano concepts are taught. Students learn how to play beginner chord progressions as well as teach themselves their own music and strategize basic accompanying patterns.
- MT 169 – Private Voice Lessons
 - Each student receives one private half an hour voice once a week. Early focus is on legit training and techniques that build the basis for other vocal styles such as belt and mix.
- MT 250 Freshman Voice Class Fall Semester
 - Here the core concepts of singing are taught. Vocal anatomy and breath cultivation comprise the first half of the semester. The students explore the full facet of their voice in combination with the other elements of performing such as character development and integration with the orchestra.
- MT 251 – Freshman Voice Class Spring Semester
 - A performance based class, students sing 3 songs of different styles solo in front of their peers throughout the course of the semester. The class is structured for the students to provide constructive criticism to their classmates and go through the journey of exploration and discovery together
